Primary Schools:

The Big Primary Computing Leadership Conference - 12th December - 09.00 to 16.00 - Oxford Brookes University - [Info and booking](#)

We're excited to be holding another leadership conference this year. This conference will help primary computing leaders to clarify their role and develop and implement a broad and balanced curriculum. You will learn how best to lead the improvement of computing teaching and learning, and to provide professional support and development to others.

Would you like a staff meeting in your school for all your teachers, on an aspect of primary computing?

Just ask!

The Big Computing Leadership Conference - 12th December - 09.00 to 16.00 - Oxford Brookes University - [Info and booking](#)

We're excited to be holding another leadership conference this year. You will get an opportunity to hear from experienced department leaders, and based on the most recent evidence of 'what works', you'll come away with an informed set of goals and the tools to make it happen. Taking place across multiple sessions, you'll get inspirational ideas and make connections with other leaders to help implement and monitor the impact of your Computing Leadership.
